Florin Gabor

Junior Front-End Developer | HTML/CSS JavaScript / React
Oradea, Bihor, Romania

Summary

I am currently pursuing a career transition into the IT industry, as I am passionate about technology and its ever-evolving nature. After resigning from my previous job, I have been dedicating my time to learning and acquiring new skills in programming and other IT-related fields. I am excited to apply my newfound knowledge and skills in a professional setting and to contribute to the innovative and dynamic industry of IT.
